Gamified Parsing Learning Study - Participant Responses

Participant Data Summary

Participant 1 (Experimental):

  Pre-Test: 14, Post-Test: 25, Retention: 20

  The game was engaging: 4

  I found the game easy to use: 5

  I better understood parsing after using the game: 5

  The storyline kept me motivated: 4

  I would recommend this game to others: 5

  The feedback provided was helpful: 5

  I felt more confident in parsing after playing: 5

  The game covered all parsing topics well: 4

  The interface was intuitive: 4

  The game was more effective than lectures: 4

Participant 2 (Experimental):

  Pre-Test: 11, Post-Test: 24, Retention: 24

  The game was engaging: 4

  I found the game easy to use: 4

  I better understood parsing after using the game: 4

  The storyline kept me motivated: 4

  I would recommend this game to others: 4

  The feedback provided was helpful: 4

  I felt more confident in parsing after playing: 5

  The game covered all parsing topics well: 4

  The interface was intuitive: 5

  The game was more effective than lectures: 5

Participant 3 (Experimental):

  Pre-Test: 12, Post-Test: 21, Retention: 19

  The game was engaging: 5

  I found the game easy to use: 4

  I better understood parsing after using the game: 4

  The storyline kept me motivated: 4

  I would recommend this game to others: 4

  The feedback provided was helpful: 5

  I felt more confident in parsing after playing: 4

  The game covered all parsing topics well: 4

  The interface was intuitive: 4

  The game was more effective than lectures: 4

Participant 4 (Experimental):

  Pre-Test: 14, Post-Test: 27, Retention: 25

  The game was engaging: 4

  I found the game easy to use: 5

I better understood parsing after using the game: 4

The storyline kept me motivated: 5

I would recommend this game to others: 4

The feedback provided was helpful: 5

I felt more confident in parsing after playing: 4

The game covered all parsing topics well: 4

The interface was intuitive: 5

The game was more effective than lectures: 5

Participant 5 (Experimental):

Pre-Test: 10, Post-Test: 23, Retention: 21

The game was engaging: 5

I found the game easy to use: 4

I better understood parsing after using the game: 5

The storyline kept me motivated: 4

I would recommend this game to others: 4

The feedback provided was helpful: 5

I felt more confident in parsing after playing: 5

The game covered all parsing topics well: 4

The interface was intuitive: 4

The game was more effective than lectures: 5

Participant 6 (Experimental):

Pre-Test: 15, Post-Test: 25, Retention: 21

The game was engaging: 5

I found the game easy to use: 5

I better understood parsing after using the game: 4

The storyline kept me motivated: 4

I would recommend this game to others: 4

The feedback provided was helpful: 4

I felt more confident in parsing after playing: 4

The game covered all parsing topics well: 4

The interface was intuitive: 5

The game was more effective than lectures: 4

Participant 7 (Experimental):

Pre-Test: 12, Post-Test: 25, Retention: 25

The game was engaging: 4

I found the game easy to use: 4

I better understood parsing after using the game: 5

The storyline kept me motivated: 4

I would recommend this game to others: 4

The feedback provided was helpful: 5

I felt more confident in parsing after playing: 4

  The game covered all parsing topics well: 4

  The interface was intuitive: 4

  The game was more effective than lectures: 4

Participant 8 (Experimental):

  Pre-Test: 12, Post-Test: 21, Retention: 24

  The game was engaging: 4

  I found the game easy to use: 5

  I better understood parsing after using the game: 5

  The storyline kept me motivated: 5

  I would recommend this game to others: 4

  The feedback provided was helpful: 4

  I felt more confident in parsing after playing: 4

  The game covered all parsing topics well: 5

  The interface was intuitive: 4

  The game was more effective than lectures: 4

Participant 9 (Experimental):

  Pre-Test: 14, Post-Test: 27, Retention: 23

  The game was engaging: 5

  I found the game easy to use: 4

  I better understood parsing after using the game: 5

  The storyline kept me motivated: 5

  I would recommend this game to others: 5

  The feedback provided was helpful: 4

  I felt more confident in parsing after playing: 4

  The game covered all parsing topics well: 4

  The interface was intuitive: 4

  The game was more effective than lectures: 4

Participant 10 (Experimental):

  Pre-Test: 9, Post-Test: 23, Retention: 23

  The game was engaging: 4

  I found the game easy to use: 4

  I better understood parsing after using the game: 5

  The storyline kept me motivated: 4

  I would recommend this game to others: 5

  The feedback provided was helpful: 4

  I felt more confident in parsing after playing: 4

  The game covered all parsing topics well: 4

  The interface was intuitive: 5

  The game was more effective than lectures: 5

Participant 11 (Experimental):

  Pre-Test: 10, Post-Test: 24, Retention: 24

Gamified Parsing Learning Study - Participant Responses

  The game was engaging: 5

  I found the game easy to use: 5

  I better understood parsing after using the game: 4

  The storyline kept me motivated: 5

  I would recommend this game to others: 4

  The feedback provided was helpful: 4

  I felt more confident in parsing after playing: 5

  The game covered all parsing topics well: 5

  The interface was intuitive: 5

  The game was more effective than lectures: 5

Participant 12 (Experimental):

  Pre-Test: 14, Post-Test: 20, Retention: 23

  The game was engaging: 5

  I found the game easy to use: 5

  I better understood parsing after using the game: 5

  The storyline kept me motivated: 5

  I would recommend this game to others: 4

  The feedback provided was helpful: 5

  I felt more confident in parsing after playing: 5

  The game covered all parsing topics well: 4

  The interface was intuitive: 5

  The game was more effective than lectures: 4

Participant 13 (Experimental):

  Pre-Test: 10, Post-Test: 23, Retention: 20

  The game was engaging: 4

  I found the game easy to use: 5

  I better understood parsing after using the game: 4

  The storyline kept me motivated: 4

  I would recommend this game to others: 4

  The feedback provided was helpful: 4

  I felt more confident in parsing after playing: 5

  The game covered all parsing topics well: 4

  The interface was intuitive: 5

  The game was more effective than lectures: 4

Participant 14 (Experimental):

  Pre-Test: 10, Post-Test: 21, Retention: 21

  The game was engaging: 4

  I found the game easy to use: 4

  I better understood parsing after using the game: 4

  The storyline kept me motivated: 5

  I would recommend this game to others: 5

The feedback provided was helpful: 4

I felt more confident in parsing after playing: 4

The game covered all parsing topics well: 5

The interface was intuitive: 4

The game was more effective than lectures: 4

Participant 15 (Experimental):

Pre-Test: 15, Post-Test: 25, Retention: 24

The game was engaging: 4

I found the game easy to use: 5

I better understood parsing after using the game: 5

The storyline kept me motivated: 5

I would recommend this game to others: 4

The feedback provided was helpful: 4

I felt more confident in parsing after playing: 5

The game covered all parsing topics well: 5

The interface was intuitive: 5

The game was more effective than lectures: 5

Participant 16 (Experimental):

Pre-Test: 12, Post-Test: 24, Retention: 21

The game was engaging: 4

I found the game easy to use: 5

I better understood parsing after using the game: 4

The storyline kept me motivated: 5

I would recommend this game to others: 4

The feedback provided was helpful: 5

I felt more confident in parsing after playing: 5

The game covered all parsing topics well: 5

The interface was intuitive: 5

The game was more effective than lectures: 4

Participant 17 (Experimental):

Pre-Test: 11, Post-Test: 23, Retention: 25

The game was engaging: 5

I found the game easy to use: 4

I better understood parsing after using the game: 4

The storyline kept me motivated: 4

I would recommend this game to others: 4

The feedback provided was helpful: 5

I felt more confident in parsing after playing: 4

The game covered all parsing topics well: 4

The interface was intuitive: 4

The game was more effective than lectures: 5

Gamified Parsing Learning Study - Participant Responses

Participant 18 (Experimental):

  Pre-Test: 15, Post-Test: 20, Retention: 18

  The game was engaging: 5

  I found the game easy to use: 5

  I better understood parsing after using the game: 5

  The storyline kept me motivated: 4

  I would recommend this game to others: 4

  The feedback provided was helpful: 5

  I felt more confident in parsing after playing: 4

  The game covered all parsing topics well: 4

  The interface was intuitive: 4

  The game was more effective than lectures: 5

Participant 19 (Experimental):

  Pre-Test: 15, Post-Test: 20, Retention: 20

  The game was engaging: 5

  I found the game easy to use: 4

  I better understood parsing after using the game: 5

  The storyline kept me motivated: 5

  I would recommend this game to others: 5

  The feedback provided was helpful: 5

  I felt more confident in parsing after playing: 5

  The game covered all parsing topics well: 4

  The interface was intuitive: 5

  The game was more effective than lectures: 4

Participant 20 (Experimental):

  Pre-Test: 10, Post-Test: 22, Retention: 22

  The game was engaging: 4

  I found the game easy to use: 5

  I better understood parsing after using the game: 4

  The storyline kept me motivated: 4

  I would recommend this game to others: 4

  The feedback provided was helpful: 5

  I felt more confident in parsing after playing: 5

  The game covered all parsing topics well: 4

  The interface was intuitive: 5

  The game was more effective than lectures: 5

Participant 21 (Control):

  Pre-Test: 10, Post-Test: 21, Retention: 18

  The game was engaging: 3

  I found the game easy to use: 3

  I better understood parsing after using the game: 4

The storyline kept me motivated: 4

I would recommend this game to others: 2

The feedback provided was helpful: 2

I felt more confident in parsing after playing: 4

The game covered all parsing topics well: 3

The interface was intuitive: 2

The game was more effective than lectures: 4

Participant 22 (Control):

Pre-Test: 14, Post-Test: 18, Retention: 13

The game was engaging: 4

I found the game easy to use: 4

I better understood parsing after using the game: 3

The storyline kept me motivated: 4

I would recommend this game to others: 4

The feedback provided was helpful: 4

I felt more confident in parsing after playing: 4

The game covered all parsing topics well: 2

The interface was intuitive: 2

The game was more effective than lectures: 4

Participant 23 (Control):

Pre-Test: 12, Post-Test: 19, Retention: 13

The game was engaging: 3

I found the game easy to use: 2

I better understood parsing after using the game: 4

The storyline kept me motivated: 2

I would recommend this game to others: 2

The feedback provided was helpful: 3

I felt more confident in parsing after playing: 4

The game covered all parsing topics well: 4

The interface was intuitive: 3

The game was more effective than lectures: 3

Participant 24 (Control):

Pre-Test: 8, Post-Test: 22, Retention: 15

The game was engaging: 4

I found the game easy to use: 4

I better understood parsing after using the game: 3

The storyline kept me motivated: 2

I would recommend this game to others: 2

The feedback provided was helpful: 3

I felt more confident in parsing after playing: 2

The game covered all parsing topics well: 3

Gamified Parsing Learning Study - Participant Responses

The interface was intuitive: 2

The game was more effective than lectures: 2

Participant 25 (Control):

Pre-Test: 14, Post-Test: 21, Retention: 13

The game was engaging: 4

I found the game easy to use: 4

I better understood parsing after using the game: 2

The storyline kept me motivated: 2

I would recommend this game to others: 4

The feedback provided was helpful: 4

I felt more confident in parsing after playing: 4

The game covered all parsing topics well: 3

The interface was intuitive: 2

The game was more effective than lectures: 4

Participant 26 (Control):

Pre-Test: 9, Post-Test: 17, Retention: 13

The game was engaging: 2

I found the game easy to use: 3

I better understood parsing after using the game: 3

The storyline kept me motivated: 4

I would recommend this game to others: 3

The feedback provided was helpful: 2

I felt more confident in parsing after playing: 4

The game covered all parsing topics well: 2

The interface was intuitive: 2

The game was more effective than lectures: 3

Participant 27 (Control):

Pre-Test: 11, Post-Test: 20, Retention: 17

The game was engaging: 3

I found the game easy to use: 3

I better understood parsing after using the game: 3

The storyline kept me motivated: 3

I would recommend this game to others: 4

The feedback provided was helpful: 2

I felt more confident in parsing after playing: 2

The game covered all parsing topics well: 2

The interface was intuitive: 2

The game was more effective than lectures: 3

Participant 28 (Control):

Pre-Test: 8, Post-Test: 15, Retention: 15

The game was engaging: 2

I found the game easy to use: 4

I better understood parsing after using the game: 4

The storyline kept me motivated: 2

I would recommend this game to others: 2

The feedback provided was helpful: 4

I felt more confident in parsing after playing: 4

The game covered all parsing topics well: 3

The interface was intuitive: 4

The game was more effective than lectures: 3

Participant 29 (Control):

Pre-Test: 11, Post-Test: 18, Retention: 17

The game was engaging: 3

I found the game easy to use: 3

I better understood parsing after using the game: 3

The storyline kept me motivated: 3

I would recommend this game to others: 2

The feedback provided was helpful: 4

I felt more confident in parsing after playing: 3

The game covered all parsing topics well: 4

The interface was intuitive: 4

The game was more effective than lectures: 3

Participant 30 (Control):

Pre-Test: 13, Post-Test: 16, Retention: 18

The game was engaging: 2

I found the game easy to use: 3

I better understood parsing after using the game: 2

The storyline kept me motivated: 4

I would recommend this game to others: 2

The feedback provided was helpful: 2

I felt more confident in parsing after playing: 2

The game covered all parsing topics well: 4

The interface was intuitive: 4

The game was more effective than lectures: 2

Participant 31 (Control):

Pre-Test: 9, Post-Test: 22, Retention: 18

The game was engaging: 2

I found the game easy to use: 3

I better understood parsing after using the game: 2

The storyline kept me motivated: 3

I would recommend this game to others: 2

The feedback provided was helpful: 3

I felt more confident in parsing after playing: 4

The game covered all parsing topics well: 2

The interface was intuitive: 2

The game was more effective than lectures: 2

Participant 32 (Control):

Pre-Test: 9, Post-Test: 18, Retention: 17

The game was engaging: 2

I found the game easy to use: 3

I better understood parsing after using the game: 2

The storyline kept me motivated: 4

I would recommend this game to others: 4

The feedback provided was helpful: 2

I felt more confident in parsing after playing: 4

The game covered all parsing topics well: 2

The interface was intuitive: 2

The game was more effective than lectures: 4

Participant 33 (Control):

Pre-Test: 8, Post-Test: 16, Retention: 18

The game was engaging: 2

I found the game easy to use: 4

I better understood parsing after using the game: 3

The storyline kept me motivated: 2

I would recommend this game to others: 3

The feedback provided was helpful: 4

I felt more confident in parsing after playing: 3

The game covered all parsing topics well: 3

The interface was intuitive: 4

The game was more effective than lectures: 3

Participant 34 (Control):

Pre-Test: 9, Post-Test: 20, Retention: 15

The game was engaging: 3

I found the game easy to use: 4

I better understood parsing after using the game: 3

The storyline kept me motivated: 4

I would recommend this game to others: 3

The feedback provided was helpful: 4

I felt more confident in parsing after playing: 4

The game covered all parsing topics well: 3

The interface was intuitive: 3

The game was more effective than lectures: 3

Participant 35 (Control):

Gamified Parsing Learning Study - Participant Responses

Pre-Test: 12, Post-Test: 20, Retention: 12

The game was engaging: 2

I found the game easy to use: 2

I better understood parsing after using the game: 2

The storyline kept me motivated: 4

I would recommend this game to others: 3

The feedback provided was helpful: 4

I felt more confident in parsing after playing: 2

The game covered all parsing topics well: 3

The interface was intuitive: 4

The game was more effective than lectures: 3

Participant 36 (Control):

Pre-Test: 9, Post-Test: 20, Retention: 17

The game was engaging: 4

I found the game easy to use: 3

I better understood parsing after using the game: 2

The storyline kept me motivated: 2

I would recommend this game to others: 3

The feedback provided was helpful: 4

I felt more confident in parsing after playing: 2

The game covered all parsing topics well: 2

The interface was intuitive: 2

The game was more effective than lectures: 3

Participant 37 (Control):

Pre-Test: 11, Post-Test: 16, Retention: 16

The game was engaging: 3

I found the game easy to use: 4

I better understood parsing after using the game: 4

The storyline kept me motivated: 4

I would recommend this game to others: 3

The feedback provided was helpful: 3

I felt more confident in parsing after playing: 4

The game covered all parsing topics well: 4

The interface was intuitive: 3

The game was more effective than lectures: 4

Participant 38 (Control):

Pre-Test: 11, Post-Test: 18, Retention: 16

The game was engaging: 2

I found the game easy to use: 3

I better understood parsing after using the game: 4

The storyline kept me motivated: 3

I would recommend this game to others: 2

The feedback provided was helpful: 3

I felt more confident in parsing after playing: 3

The game covered all parsing topics well: 3

The interface was intuitive: 3

The game was more effective than lectures: 2

Participant 39 (Control):

Pre-Test: 14, Post-Test: 20, Retention: 13

The game was engaging: 3

I found the game easy to use: 3

I better understood parsing after using the game: 4

The storyline kept me motivated: 3

I would recommend this game to others: 4

The feedback provided was helpful: 2

I felt more confident in parsing after playing: 2

The game covered all parsing topics well: 2

The interface was intuitive: 2

The game was more effective than lectures: 4

Participant 40 (Control):

Pre-Test: 11, Post-Test: 19, Retention: 18

The game was engaging: 3

I found the game easy to use: 2

I better understood parsing after using the game: 3

The storyline kept me motivated: 4

I would recommend this game to others: 4

The feedback provided was helpful: 4

I felt more confident in parsing after playing: 2

The game covered all parsing topics well: 3

The interface was intuitive: 3

The game was more effective than lectures: 3
